LB 527, 481

nay. Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays on adoption of the committee amendments, Mr. President.

SPEAKER NICHOL: The committee amendments are adopted.

SENATOR WARNER: Mr. President, I move the bill be advanced. Again, Mr. President, as I indicated it allows tuition, out of state tuition, if any, usually there may be one or two, to be deposited as cash funds so they can be directly used for operation of the school rather than to the general fund which would not be available until the following year. So I move the bill be advanced.

SPEAKER NICHOL: Okay, the question is the advancement of LB 527. All those in favor vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 31 ayes, 0 nays on the motion to advance the bill, Mr. President.

SPEAKER NICHOL: The bill is advanced. LB 481A. Oh, 481, excuse me.

CLERK: Mr. President, 481 (read title). The bill was read on January 19 last year, referred to the Health Committee for hearing. The bill was advanced to General File. Mr. President, there are committee amendments pending.

SPEAKER NICHOL: Senator Fenger.

SENATOR FENGER: Thank you, Mr. Speaker and members of the body, LB 481 is a bill which makes a number of changes unto the Uniform Licensing Law unto the various health care professionals, the law that licenses them. The committee amendments delete several provisions which would have been added to the statutes by LB 481. First the amendments eliminate language which would expand the authority of the various professional examining boards relative to complaints filed against these practitioners. The language deleted by the committee would authorize the examining boards to review all complaints made against practitioners and any investigations carried out by the Bureau of Examining Boards
